

FRINGEPAC TRIAL INSTALLATION

Thank you for your decision to trial FRINGEPAC. This Software has been designed for use by Accountants and large Commercial Businesses to maintain a Motor Vehicle Register and produce FBT Schedules. Please follow the steps below to quickly and easily evaluate FRINGEPAC.

1. Install FRINGEPAC
2. Start FRINGEPAC (select START / PROGRAMS / TRIMAR / FRINGEPAC)
3. Print and complete the **FRINGEPAC Familiarisation Exercise** (from the FRINGEPAC front screen, select UTILITIES / FAMILIARISATION EXERCISE / PRINT).

FAMILIARISATION EXERCISE : It is very important to print and fully complete the Familiarisation Exercise – it uses a sample Motor Vehicle Register to quickly and easily show you how FRINGEPAC works. Once you have completed this exercise you can then use the sample Register to further evaluate FRINGEPAC.

TRIAL RESTRICTIONS : Being a Trial Version, certain restrictions apply to this copy of FRINGEPAC. Firstly, only one Register can be setup, as per the Familiarisation Exercise the Entity Code for this Register must be “DEMO”. Secondly this Register is limited to a maximum of two Vehicles. In every other way this trial copy performs the same as the fully licensed version.

REFERENCE MANUAL / BUILT-IN HELP : A comprehensive Reference Manual is built into FRINGEPAC and can be accessed whilst using the software. If you press the <F1> Function Key whilst using FRINGEPAC, the section of the Manual relevant to the part of the program you are currently using, will display on the screen. Alternatively, after starting FRINGEPAC, select HELP / HELP CONTENTS / SEARCH to access a complete listing of all available HELP Topics.

ACCESSING OUR HELP DESK : If you need help with FRINGEPAC and cannot find the answer within the built in Help Topics, the best way to log a call with our HELP DESK is by FAX or E-MAIL. This allows us time to research your question before responding.

FAX – briefly describe your problem and fax the details to (02) 99755 296

E-MAIL – as above but send the details to help@cibec.com.au

TELEPHONE – if neither of the above are suitable please contact us direct on (02) 9975 5297

PURCHASING FRINGEPAC : To purchase a FRINGEPAC LICENCE please contact us direct or complete and return one of our ORDER FORMS which can be printed from either our WEBSITE (www.cibec.com.au) or from our distribution CD.
