

FINMAN TRIAL INSTALLATION

Thank you for your decision to trial FINMAN. This Software provides Accountants and other Professionals with a very powerful Financial Calculation tool. Please follow the steps below to quickly and easily evaluate FINMAN.

1. Install FINMAN
2. Start FINMAN (select START / PROGRAMS / TRIMAR / FINMAN)

TRIAL RESTRICTIONS : Being a Trial Version, certain restrictions apply to this copy of FINMAN. For most of the Financial Calculation the Principal has been set at \$10,000 and cannot be changed. Some of the other Calculations have been locked out completely as there is no way to restrict their use. For more information on each of the Calculations available select HELP and then choose the Menu on which the required Calculation appears.

REFERENCE MANUAL / BUILT-IN HELP : A comprehensive Reference Manual is built into FINMAN and can be accessed whilst using the software. If you press the <F1> Function Key whilst using FINMAN, the section of the Manual relevant to the part of the program you are currently using, will display on the screen. Alternatively, after starting FINMAN, select HELP / HELP CONTENTS / SEARCH to access a complete listing of all available HELP Topics.

ACCESSING OUR HELP DESK : If you need help with FINMAN and cannot find the answer within the built in Help Topics, the best way to log a call with our HELP DESK is by FAX or E-MAIL. This allows us time to research your question before responding.

FAX – briefly describe your problem and fax the details to (02) 99755 296

E-MAIL – as above but send the details to help@cibec.com.au

TELEPHONE – if neither of the above are suitable please contact us direct on (02) 9975 5297

PURCHASING FINMAN : To purchase a FINMAN LICENCE please contact us direct or complete and return one of our ORDER FORMS which can be printed from either our WEBSITE (www.cibec.com.au) or from our distribution CD.
